1. The student must have taken the ACT.
2. The student must notify the principal one week before visiting the college campus.
3. The principal must receive notification from the college that the student did visit with the intent to discuss enrollment.

READING PROFICIENCY

Students who have not successfully completed the reading portion of the 8th grade Oklahoma Criterion Reference Test or scored proficient on a district approved alternate test, will be required to be enrolled in a reading program.

GRADE CARDS

There are two official grading periods, one at the end of each semester. Mid-semester progress reports will be sent to the parents of all students during the ninth week of each semester. Grade reports will be mailed at the end of each semester.

When a teacher issues an Incomplete (I) to a student in any particular grading period, that teacher will have ten school days from the date of the issuance of grade cards to turn in a make-up grade. At that time, the grade will be changed. If the (I) is not completed, the resulting grade will be an (F). If arrangements are made between teacher and student to carry an (I) beyond the ten days, the teacher is then responsible for informing the office when the grade will be issued. Upon issuance of the grades, the same precedent will be followed as listed above.

- Students who are serving ISS will be eligible for extracurricular events, but will not be allowed to attend practice until ISS ends at 3:00.
- Students who chose to be suspended and not take advantage of ISS will not be allowed to make up assigned work and will be counted absent for those days under self-imposed suspension.

Student Drug Reinstatement Policy Vinita High School

Students in violation of Vinita Public Schools drug policy will be subject to disciplinary action in accordance with appropriate policies. However, it is the goal of Vinita Public Schools to educate all of our students; with this in mind the following guidelines have been established to effectively deal with alcohol/drug possession and distribution.

Drug Possession / distribution:

- First offense: suspension for a period of 45 school days.
- Second offense: Maximum suspension allowed by law.

Under the influence of alcohol/drugs at school or school event:

- First offense: Suspension for a period of 10 school days followed by assignment to in-school suspension for 10 school days.
- Second offense: Maximum suspension allowed by law.

Alternate Discipline Plan:

- Student will be assigned in-school suspension in lieu of out of school suspension for a period of time stated above.
- Student will be required to take a drug test upon completing 50% of the assigned suspension and at the end of assigned suspension.
- Students who have a negative drug test will be allowed to return to classroom. However; students who fail either drug test will assigned to out of school suspension relative

to the time remaining in in-school suspension.

- Students will not be allowed to participate in extra curricular activities throughout the period they are assigned to in-school suspension.
- No inappropriate behavior will be tolerated during their assignment to in-school suspension. Such behavior will result in immediate reinstatement of out of school suspension.
- Students will not be allowed to converse with other students prior to or after the school day. Students must check in the front office immediately upon arrival. Students must enter and exit each day through the east doors.
- Students who have a subsequent violation of the drug policy will not be allowed the opportunity to participate in the alternate discipline plan.

Short term out of school suspensions are from 1 to 10 days. The length of the suspension will be determined by the severity of the violation and the discipline scale.

Before a principal assigns a student a short term suspension, the administrator will afford the student due process. The elements of due process are as follows:

1. The student will be given written notice of the charges, which state the rule, or regulation the student allegedly violated.
2. The student will be given a written explanation of the factual basis for the charge against him/her.
3. The student will be given the opportunity to present his side of the story to the principal. These requirements can be satisfied by discussion immediately after the alleged misconduct occurs in which the student is given the opportunity to explain his version of the facts as shown in writing what he is accused of doing, and what the factual basis of the accusations are. Required written notice shall be set forth on the Notice of Short Term Suspension form. A copy of the completed form should be given to the student at the time of the suspension and a copy will be provided to the parents of the student by mail. Suspended students are not allowed on school campus during the time of the suspension.

Provided, any short term suspension prevents a student from taking final exams, graduating, or completing his/her course of study within the normal time, shall not be effective unless and until all due process hearing procedures for long term suspensions are met, unless it is determined by the administrator that the student's

presence on campus endangers himself, others, or school property.

DUE PROCESS FOR LONG TERM SUSPENSIONS

A long term suspension is any suspension that exceeds 10 school days. A long term suspension may extend to the remainder of the semester or to the end of the next succeeding trimesters.

During the appeals process, the student may remain in school (placement in ISS or homebound will be an option) until final disposition is rendered, unless it is determined by the administrator that the student's presence on campus endangers the student, others, or school property. Failure of the parent during the appeals process to stay within the specified time limits for requesting an appeal to the next level shall constitute a waiver of the right to further appeal.

A parent/guardian has a right to appeal to the building principal within two school days of the student's long term suspension. Upon notification by the parent /guardian to the building principal of their intent to appeal, the building principal will set up an appeal at the building level. BULLYING PREVENTION GUIDELINES **(Board Policy FNCD)**

Statement of Philosophy:

Vinita Public Schools is committed to creating a safe, healthy, learning environment for all students that enhances personal safety and encourages respect, dignity and equality among students. Vinita Public Schools is committed to creating and maintaining a learning environment that is free from bullying and harassment.

Bullying is aggressive behavior or intentional. Bullying can be physical, verbal, emotional or sexual. Bullying is carried out repeatedly over time. Bullying occurs within an interpersonal relationship characterized by an imbalance of power.

Bullying on campus can have long-lasting results for many students. These acts cause feelings of anxiety, fear, and shame in the students who are targets. They can interfere with concentration, inhibit full participation in class and interrupt academic and social learning. Witnesses and bystanders also experience similar feelings, as they know they could be the bully's next target.

Bullying can trigger tragically violent responses in some students with other risk factors as seen in schools across the nation.

Bullying can be the early warning sign for further anti-social, aggressive and increasingly violent behavior.

Examples of Prohibited Behavior: Name calling, racial slurs, pushing, crowding, or incidents concerning hitting, pinching, making fun of a person's body, telling mean jokes about someone, threatening to hurt someone, hand signals or gestures of a derogatory nature, hitting someone, taking things without permission.

Bullying will not be tolerated. This includes the areas of school facilities, premises, and non-school property if the student is at any school-sponsored, school-approved or school-related activity, event or function (i.e. field trips or competitive athletic events) where students are under the supervision of staff.

Speak up when possible. If possible, the target should tell the bully/harasser to stop. If comfortable in doing so, a target is first encouraged to confront the bully/harasser, telling then to stop because their actions are unwelcome.

Bystanders are also encouraged to speak up when possible, telling the bully or harasser to stop the conduct because it is disrespectful, unwelcome, hurtful, unfair, etc.

Reporting. Reporting bullying to school staff is encouraged. Anyone may report bullying and harassment. They may report it to any school staff member who will in turn report it to the site administrator who will deal with the situation.

Tattling Vs. Reporting. Vinita Public Schools defines tattling as telling an adult about another

student's actions with the sole purpose of getting that student in trouble. Vinita Public Schools defines reporting as telling an adult about another student's actions with the purpose of getting help with a difficult situation (e.g. one that is threatening or hurtful).

Confidentiality. Vinita Public Schools staff will strive to maintain confidentiality of any student target or bystander who reports bullying. The school staff will also respect the confidentiality of the student accused of bullying. Any disclosure of reported information, including the identity of a student, will be made only to individuals involved in the school's response to the incident.

No Retaliation. Vinita Public Schools will not tolerate retaliation for reporting bullying. School staff will discipline any student who retaliates against anyone who reports an incident, or against any person who testifies or assists in an investigation. Retaliation includes, but is not limited to: any form of intimidation, reprisal or harassment, whether physical or verbal.

Student Accountability. Vinita Public Schools expects students to demonstrate respectful behavior throughout campus, on the bus, and at all school-sponsored events. Students whose behavior is found to be in violation of this policy will be subject to appropriate sanctions.

HAZING AND HARASSMENT (Board Policy JICFA)

It is the policy of this school district that no student or employee of the district shall participate in or be members of any secret fraternity or secret organization that is in any degree related to the school or to a school activity.

No student in this school district will be subject to hazing, harassment, or any other form of persecution by any student or employee whether connected to any fraternity or organization or not.

For the purposes of this policy, hazing is defined as the deliberate harassment of a student by means of rough practical jokes or causing the student to perform meaningless, difficult, or humiliating tasks.

This policy is not intended to deprive school district authorities from taking necessary and appropriate disciplinary action toward any student or employee. Student or employees who violate this policy will be subject to disciplinary action which may include expulsion for students and employment termination for employees. Students found to be involved in hazing or harassment incidents while participating in an

extracurricular activity may be suspended from extracurricular activities for up to one calendar year.

REFERENCE: 21 O.S. § 1190

GUN-FREE SCHOOL (Board Policy FNCGA)

It is the policy of the Vinita Public School District to comply fully with the Gun-Free Schools Act.

1. Any student in the Vinita Public School District who uses or possesses a firearm at school, at any school sponsored event, or in or upon any school property including transportation or school-sponsored transportation will be removed from school for not less than one full calendar year.
2. Firearms are defined in Title 18 of the United States Code, Section 921, as (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device including any explosive, incendiary or poison gas, bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine or any device similar to the above.
3. Such firearms or weapons will be confiscated and released only to proper legal authorities.
4. Students with disabilities are subject to this policy and will be disciplined in accordance with the Individuals with Disabilities Act and Section 504 or the Rehabilitation Act if any such students are determined to be in violation of this policy.

POSSESSION OF KNIVES

Possession of knife, regardless of blade length, may result in automatic suspension.

GANG ACTIVITY (Board Policies FNCC, FNCD)

It is the policy of this school district that membership in secret fraternities or sororities or in other clubs or gangs not sponsored by established agencies or organizations are prohibited.

Gangs that initiate, advocate, or promote activities which threaten the safety or well being of persons or property on school grounds or which disrupt the school environment are harmful to the educational process. The use of hand signals graffiti, or the presence of any apparel, jewelry, accessory, or manner of grooming which, by virtue of its color, arrangement, trademark, symbol or any other attributes which indicates or implies membership or affiliation with such a group presents a clear and present danger to the school environment and educational objectives of the community and are forbidden.

Incidents involving initiations, hazing, intimidation, and/or related activities of such group affiliations which are likely to cause bodily danger, physical harm or personal degradation or disgrace resulting in physical or mental harm to students are prohibited.

Any student wearing, carrying, or displaying gang paraphernalia, or exhibiting behavior or gestures which symbolize gang membership or causing and/or participating in activities which intimidate or affect the attendance of another student will be subject to disciplinary action including suspension and expulsion.

The superintendent may provide in-service training in gang behavior and characteristics to facilitate staff identification of students at-risk and promote membership in authorized school groups and activities as an alternative.

GANG ACTIVITY (REGULATIONS)

Gang Activities:

The board recognizes that the harm done by the presence and activities of gangs in the public schools exceed the immediate consequences of activities including violence and destruction of property. Gang activities also create an atmosphere of intimidation in the entire school community. Both the immediate consequences of gang activity and the secondary effects are disruptive and obstructive of educational processes and school activities. Therefore, gangs and gang activities are prohibited in this school district.

1. Definition: for the purposes of these regulations, a “gang” is any group of two or more persons whose purposes include the encouragement, support, or commission of illegal acts or acts in violation of disciplinary rules of the school district.
2. Prohibitions: No student on or about school property or at any school-related activity shall:
 - A. Wear, possess, use, distribute, display, or sell any clothing, jewelry, emblem, badge, symbol, sign or other item that evidences or reflects membership in or affiliation with any gang.
 - B. Engage in any act, either verbal or nonverbal, including gestures or handshakes, showing membership or affiliation in any gang.
 - C. Engage in any act, in furtherance of the interests of any gang or gang activity, including, but not limited to:
 1. Soliciting membership in or affiliation with any gang.
 2. Soliciting any person to pay for “protection,” or threatening any person, explicitly, with violence or with any other illegal or prohibited act.
 3. Painting, writing, or otherwise inscribing gang-related graffiti, messages, symbols, or signs on school property.
 4. Engaging in violence, extortion, or any other illegal act or other violation of school policy.
 5. Soliciting any person to engage in physical violence against any other person.
3. Application and Enforcement:
 - A. In determining, as part of the application and enforcement of these regulations, whether acts, conduct, or activities are gang-related, school officials are encouraged to exercise judgment based upon current circumstances in their schools, neighborhoods, and community.
 - B. The removal of gang-related graffiti shall be a priority in maintenance of school property. All such graffiti on school property shall be removed or covered within 24 hours of its first appearance to school officials or as soon thereafter as possible, unless additional time is needed to obtain replacements for damaged items.

- C. School officials should encourage private property owners to promptly remove or cover gang-related graffiti on private property in school neighborhoods.
 - D. School officials are to work closely with local law enforcement officials in controlling gang-related activities. Local law enforcement can provide school officials with information regarding gang activities in the area, including names and characteristics of local gangs.
 - E. The superintendent in consultation with the appropriate building principals should report instances of gang related criminal acts or acts of serious disruption to local law enforcement authorities for further actions.
4. Violations of Policy
- A. Students who violate school policy and these regulations shall be subject to the full range of school disciplinary measures, in addition to applicable criminal and civil penalties.
5. Disciplinary Procedures
- A. When a staff member or contact person has reasonable, individualized suspicion that a student is in violation of school policy and these regulations, the student will be sent to the principal or the principal's designee.
 - B. Upon determination of violation, the principal or designee will make a reasonable effort to notify the student's parent or guardian as soon thereafter as possible. The student will be suspended until the parents attend a conference with the principal or designee to apply disciplinary procedures.
 - C. First Violation: Five days suspension from school and five days in-school suspension.
 - D. Second Violation: Ten days suspension from school and ten days in-school suspension.
 - E. Third Violation: Suspension from school for the maximum term permitted by law.
6. Parents must be contacted and meet for a conference with the principal or designee.

Secret Societies:

The board of education has the power to regulate and control all secret letter organizations, social orders, societies, and fraternities within the schools under its jurisdiction. No function of any such organization may be carried on in any school, on any school grounds, or at any school-related function, and all students who are members of such organizations will be bound by the policies of the Oklahoma Secondary School Activities Association.

ATTENDANCE

The following will serve as notification to our students and parents of the attendance policy adopted by Vinita Public Schools to minimize any confusion concerning attendance policies:

State law requires that students attend school 90% of the time. This means students may miss no more than days per semester and still receive credit. The only absences that will not count toward the eight days are absences that have been waived based upon a verification of a doctor's appointment or school activity. Parents should make every effort to have all doctors' notes available to the administration in ten working days.

To insure parent knowledge of their student's attendance record, notification of non-attendance will be sent on a student's 4th and 7th absences. Upon a student's 9th absence (without verification of a doctor) students will be referred to the District Attorney for juvenile proceedings.

Parents or guardians shall phone the principal's office (256-6777 or 256-2764) and give the reason for the student's absence any time the student is absent. Parents should call the attendance secretary before 10:00 a.m. or as soon as possible. **FAILURE TO DO SO WITHIN TWO (2) DAYS WILL RESULT IN THE ABSENCE BEING RECORDED AS A TRUANCY. Doctor's notes should be turned in within 10 days of the absence.**

Excessive Absenteeism:

School Law states that if a child is absent without valid excuse four (4) or more days or parts of days within a four-week period or is absent without valid excuse for nine (9) or more days or parts of days within a semester, the attendance officer shall notify the parent,

guardian or custodian of the child and immediately report such absences to the district attorney in the county wherein the school resides. If the child is found to have these absences, the matter will be referred to the Craig county District Attorney's office. The district attorney's office can charge the offender with causing, aiding, abetting or encouraging the deprivation of a minor, under Title 21 Section 858.1. This offense could be fined up to \$500 for a first offense and up to \$1000 for a second offense. Extreme cases could also incur up to one year of jail time as punishment.

Definitions:

Absences at the secondary level are defined as being more than 15 minutes late to an assigned area or not being present for an assigned class/activity. Absences are documented on appropriate school records and accumulate toward the maximum allowable by the district. A student may not have more than nine absences in a semester to meet the minimum district requirements to pass. A student that is absent from a class 9 times in one semester will be placed in failing status for that course. Students may attend up to five Saturday Schools in one semester to make up attendance. Any student with 9 or more absences that have not been made up by the end of the current semester will receive a No Credit (NC) for those classes.

Attendance Procedures:

All appointments should be made before or after school, on Saturdays, or on school holidays, unless this is impossible for some reason.

Parents are expected to schedule family vacations during school vacation periods.

If early dismissal is absolutely necessary, the student should bring a note from a parent stating the reason for the dismissal, exact time the student should be dismissed, the time the student should return to school and a telephone number where the parent can be reached. The student should present this note at the attendance office before 7:55 a.m. where a campus pass for early dismissal will be prepared upon administrative approval. The office personnel will present this pass to the teacher of the class from which the student will leave.

Students must check out whenever they leave school during the school day and check in when they return to the building.

Failure to sign out will result in a disciplinary action.

Students are only allowed to leave for lunch if a parent picks them up and checks them out properly.

A student who must leave school due to illness or other emergencies must check out through the attendance clerk in the office, the attendance clerk will contact the parent/guardian to grant permission for the student to leave school.

Only persons listed on the student's personal file may give a student permission to check out of school.

Students who leave school without going through the above procedures will be considered truant.

Truancy:

Includes but is not limited to the following actions:

1. Not being present for all or any part of a school day without previous knowledge or consent of a parent or guardian.
2. Leaving campus during any part of a school day without receiving written permission from the office in advance of departure time.
3. Failing to return or remain in a designated area (i.e. classroom, counselor's office, administrator's office, library, gymnasium, etc.)
4. Failing to attend assigned classes or school sponsored activities whether or not the offending student is on the school campus.

Consequences for Truancy:

1. First Truancy—the student will make up the entire time truant in after school detention or Saturday school.
2. Second Truancy—3 days of In School Suspension
3. Third Truancy—3 days suspension with zero credit for all time missed
4. Fourth Truancy—5 days suspension with zero credit for all time missed.
5. Fifth Truancy—Recommended long term suspension.

Tardies:

First Hour Tardies:

A student who is tardy to first hour must check in at the office to obtain an admit form before entering his/her first hour class. If they are tardy 15 minutes or more the student will be charged with an absence for that hour.) Students will be allowed three tardies each semester to first hour before disciplinary action is taken.

Tardies between classes:

Students have sufficient time to change classes without being tardy. Students who are tardy three or more times to class will be given one hour detention for each offense. Also, according to the procedure manual, three tardies constitute an absence for that class.

Athletic/Activity Absences

A student will be allowed to be absent from the classroom for a maximum of ten (10) days per school year to participate in activities sponsored by the school (OSSAA Administrator's Handbook, Section XXX). A student may make up all work missed without penalty while participating. The student must follow procedures for applying for an extension after his/her eighth (8th absence, or one (1) week in advance of a scheduled activity that exceeds the ten-day limit.) For specific details on activity absences see Board Policy JH-B pages 1-3.

ELIGIBILITY

Extra-Curricular activities in Oklahoma are governed by the Oklahoma Secondary Schools Activity Association. Eligibility standards are established by the OSSAA. Oklahoma has a no pass- no play rule for academic eligibility. OSSAA Rule Two provides that, "A student who has not attended classes ninety percent of the time for the semester in a member school becomes ineligible. Exceptions may be made by the principal due to illness, injury, death in the immediate family, valid reasons for late enrollment, or late with the beginning of attendance." Appropriate documentation must be provided at the time of the absences. Exceptions to the eligibility regulation will not be granted "after the fact" when a student becomes ineligible.

GENERAL INFORMATION

DRESS CODE-PERSONAL APPEARANCE

Certain standards of dress and grooming habits are necessary to maintain an atmosphere conducive for a

positive education experience. Every student should endeavor to come to school each day in clean, neat, and appropriate attire. Unique, bizarre, or extreme garb, hairstyles, or make-up are considered inappropriate. The school's responsibility is to provide the very best education for each student. Every student and every parent **should** help to achieve this goal.

Guidelines for appropriate dress are as follows:

1. All wearing apparel, including tattoos, that advertises products dealing with alcohol, tobacco, drugs, or suggestive slogans are unacceptable.
2. Skirts, shorts, and dresses must be moderate in length. Moderate length is to be interpreted as long enough that when students' hands are placed on the front of the legs, the clothing touches the end of the fingertips. NO cut-offs or biking shorts will be allowed.
3. No spaghetti, narrow strap tops, or low cut tops are permitted. No midriffs with skin showing will be allowed.
4. All hair is to be clean and should be kept out of the eyes. Highlights are acceptable, but no outrageously colored hair such as blue, green, etc. will be allowed.
5. Shoes or sandals will be required. Laces must be tied to prevent serious accidents.
6. Hats, headbands, sun visors, or sunglasses are unacceptable wearing apparel in the school building. The administration reserves the right to remove and take all sunglasses and hats worn in the building.
7. Students should not wear clothing which presents a distraction to the educational process. Clothing or jewelry that represents gang symbols or signs shall be prohibited.
8. Baggy or oversized clothing that could be used to conceal contraband or weapons is prohibited. Pants must be on the waistline.
9. Students who participate in extra-curricular activities and special classes must conform to additional rules set forth by the instructors, coaches, and sponsors.
10. To address special events or unusual conditions, building administrators will determine when special dress codes are in effect.
11. Clothing with rips, tears, or holes above the knee is unacceptable dress.

12. Piercings are limited to the ears and one small stud in the crease of the nose.

Parents of students not conforming to regulations will be notified and appropriate action will be taken.

ELECTRONIC DEVICES

Cell Phone Policy

The use of cell phones on campus is allowed before school, lunch, and after school only. No phones should be on, or out in the classrooms at any time. Students who need to make calls should get permission to use office or classroom phones. Parents who need to contact their child/children who have cell phones should remind him/her to turn the phone OFF during school hours, and check for messages during the appropriate times. Camera phone use is not allowed. No camera use on campus is ever permitted without prior approval. This is a violation of privacy laws.

A student that violates the policy will have his/her phone confiscated and the parent will be contacted to pick-it-up. Continued student abuse of cell phone use will result in phone confiscation and suspension of cell phone privileges.

The same policy will be followed for pagers, headphones, and any other electronic devices.

The following procedures will be followed for violations of the above mentioned policy:

1. Parent notification and appropriate disciplinary action. (After school detention)
2. Parent must pick electronic device up and graduated disciplinary action. (Saturday school detention)
3. Electronic device confiscation with parent picking up device and further disciplinary action. (In-school suspension)
4. Electronic device confiscation with parent picking up device and suspension from school.

Vinita has adopted the policy, as set forth in Oklahoma statutes, which allows for exclusion of pupils from school attendance, who have not complied with the immunization laws.

3. A student who becomes ill or injured during the school day must report to the front office. An illness/accident report will be filed. Students can be sent home only after parent/guardian permission is granted.
4. Medication: Any medication brought to school must be kept in the office. Students are not allowed to keep this on their person. If they need to take prescription medication at a certain time, they are to come to the office and get their medicine. We do not want any medication sent to the school in Ziploc bags, Kleenex, etc. Medicine should only be sent in medication bottles from the pharmacy. When you are having the prescription filled, ask your pharmacist to make a separate bottle for school with the student's name, Doctor's name, the name of the medication, and when the medication should be given. Self-administration of inhaled asthma medication must be authorized in writing by the parent and physician.

ASBESTOS

Notification of AHERA

The US Environmental Protection Agency has required that all public and private schools inspect all school buildings for the presence of asbestos, and further to develop a management plan which identifies and defines procedures for managing, and schedules re-inspection of all asbestos present in the school.

The management plan may be reviewed at your child's school during normal working hours. We request individuals wishing to review our management plan to call the school and schedule an appointment.

DANCES

A number of dances are sponsored throughout the year by various student organizations. Students are expected to adhere to reasonable standards of dress and conduct at these events. Some dances are held for VHS students only. Occasionally, for major dances, guests from other schools will be allowed. On these occasions, students will be directed to sign up their guests on a list to be approved by the administration. The administration reserves the right to deny admission to any guest.

At all dances, admission will be denied after one hour starting time unless prior arrangements have been made with the administration. When a student leaves a dance, he/she is not allowed to return.

USE OF MOTOR VEHICLES

Students driving motor vehicles to school shall be required to park on the school parking lot. After parking the motor vehicle, students must get out of the vehicle and enter the school building. No loitering in vehicles or the parking lot is permitted. Students may return to their vehicles only when leaving with proper authorization or permission from school officials. Unauthorized driving of a vehicle during school hours or while on school-sponsored events will be considered a violation of the discipline code. If a student uses a vehicle in a manner that is not safe, reasonable, or proper, endangering the safety, welfare or property of others, he or she will be in violation of the code. Disciplinary action for motor vehicles will involve the restriction or revocation of driving privileges that the student has.

PARKING LOT

Efforts will be made to allow students in all classes to park on campus. The only cars that may be parked on campus in student parking lot during school hours are those cars that are properly registered with the office, and have a valid VHS parking permit displayed in the proper manner.

No student should park in the East or North faculty parking lot at any time. Students who will be driving must fill out parking forms and return them to the office at registration. **The parking lot is off limits during the school day.**

Violation of parking areas, no parking decal, or unacceptable parking or operating of a vehicle can result in a fine (amount to be determined by administration). The administration can revoke parking privileges at any time.

PARKING LOTS AND CAMPUS ARE OFF LIMITS AFTER 9:00 PM UNLESS INVOLVED IN OR ATTENDING A SCHOOL ACTIVITY.

LIBRARY

Library hours are from 7:55 AM to 3:00 PM each school day. Our library media center is here to serve all students and staff. In order to do this more effectively, some simple rules need to be followed. The main purpose for using the library is to study; thus quiet time must be observed.

2. The student is responsible for all materials checked out to him/her.
3. Books may be checked out for two weeks and renewed before that date due to avoid a fine.
4. Book fines are five cents a day. A “fine day” includes only those days in which the library has been open.
5. Students must pay for lost or stolen articles in their possession.
6. Teachers may schedule priority class time during which the library will be closed to other students.
7. Students who are passing from another class must bring a pass from their teacher to be signed in/out of the library.
8. Computers are to be used for research and class assignments only.

INTERNET USE AT VINITA HIGH SCHOOL

Even with a filter not all-controversial material can be screened. A student accessing controversial material will be held accountable and subject to disciplinary actions. A school computer internet agreement is included in the enrollment process at Vinita high School. Parents and students are encouraged to read this agreement and will be asked to sign off on it to acknowledge their awareness of its content.

FEDERAL FAMILY EDUCATIONAL RIGHTS TO PRIVACY ACT

Vinita Public Schools Compliance with Family Education and Privacy Act of 1974

Directory Information

The privacy Act requires the district to notify parents of information regarding their child that the district will release to colleges, newspapers, yearbook companies, athletic booster clubs, etc. It is not the intent of the district to publish a directory with listed information. The law refers to these items as directory information. This notice is an opportunity for parents to review the list and indicate any items they do not want included. The district will not include directory information on the district web site without a separate permission slip signed by the parent.

The school district proposes to designate the following personally identifiable information contained in a student’s education record as “directory information,” and it will disclose that information unless directed otherwise by the parent:

1. The student’s name.
2. The name of the student’s parents.
3. The student’s date of birth.
4. The student’s class designation (i.e. first grade, tenth grade)
5. The student’s extracurricular participation.
6. The student’s achievement awards or honors.
7. The student’s weight and height if a member of an athletic team.
8. The student’s photograph.
9. The school or school district the student attended before the student enrolled in this school district.

As a parent, you have the right to refuse that any or all of the items not considered directory information. After the parent or eligible student has been notified, he or she will have two weeks to advise the school district in writing (a letter to the school superintendent’s office) of any or all the items that they refuse to permit the district to designate as directory information about the student.

At the end of the two-week period, each student’s record will be appropriately marked by the record custodian to indicate the items the district will designate as directory information about the student. This designation will remain in effect until it is modified by the written direction or the student’s parent or the eligible student.
