Oklahoma Rural Rehabilitation Corporation (ORRC) was formed in 1934 as a non-profit corporation. The funds for the agency were furnished to a board of directors to assist farmers and rural people. The original funds have been kept together and increased by the board. These funds are presently invested in farm loans. The interest from these loans is used for scholarships, rural development grants and other purposes. The money that is used to assist you is funds the agency earns and not furnished by county, state or federal government.
